

To Whom it May Concern

Kvistgaard, 02th of December 2005
Ref.: Jpe

Subject.: Certificate of authorization & Representation in Turkey

A/S Logstrup – Steel hereby certifies that company:

Panel Elektro Sanayi ve Ticaret A.S., Istanbul, Turkey

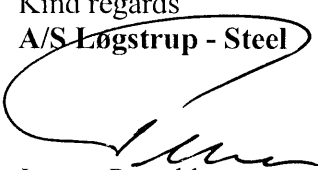

is authorized to assemble Logstrup distribution switchboards and MCC's following Logstrups design and instructions.

Engineers and workshop personnel at **Panel Elektro** has received product training in the mechanical & electrical design principles of the Logstrup Modular System, covering framework construction, external claddings internal segregation and busbar support system.

By using the original Logstrup Modular enclosure and busbar components and the procedures for work shop assembly specified by Logstrup, **Panel Elektro** is fully qualified to design and manufacture low voltage distribution boards and MCC's, which are in accordance both with Logstrups standards as well as the numerous type tests carried out Logstrup.

Kind regards

A/S Løgstrup - Steel
